## FINANCE DEPARTMENT (CENTRAL REVENUES).

## RESOLUTION.

## Customs.

*Simsa, the 20th May 1938.*

No. 30.—For the purposes of the Notification No. 28—Customs, dated the 20th May 1938, the following instructions issued by the Governor-General in Council appointing the licensing authority and laying down the conditions for the grant of export licenses for tea are published for general information.

1. The licensing authority shall be a Committee, hereinafter referred to as the Licensing Committee, representative of the tea growing industry in India and shall be constituted as follows:—

One nominee of each of the following associations:—

The Indian Tea Association, Calcutta.  
 The Assam Branch of the Indian Tea Association.  
 The Darjeeling Valley Branch of the Indian Tea Association.  
 The Dooars Planters' Association.  
 The Indian Planters' Association, Jalpaiguri and Tarai.

One nominee of the Darjeeling and the Tarai Planters' Association.

One representative of Indian tea growing interests in the Assam Valley nominated by the Government of Assam.

One representative of Indian tea growing interests in the Sylhet Valley nominated by the Government of Assam.

One nominee of the United Planters' Association of Southern India, representing British Indian tea estates.

One nominee of the United Planters' Association of Southern India representing tea estates in Indian States.

One nominee representing Indian tea estates in South India nominated by the Government of Madras.

2. The Licensing Committee shall elect a Chairman and may appoint such sub-committees and executive officers as may be necessary for the efficient performance of the duties entrusted to it.

3. The Licensing Committee shall maintain Offices in Calcutta and Coonoor for the transaction of its business and may open offices in other localities should necessity arise.

4. The Licensing Committee shall maintain a record of the yearly export quota allotted to each tea estate as determined in the manner hereafter mentioned and shall also maintain an account of all licenses issued against such quotas.

**NOTE.—**For the purposes of these rules a year is the period from the 1st day of April to the 31st day of March next succeeding.

5. The total yearly Indian export allotment shall be such percentage of the standard Indian export as is agreed upon by the representative committee of the Indian, Ceylon and Netherlands East Indies producers for each year of regulation and approved by the Government of India. The quantity which may be exported by sea, hereinafter called the overseas export allotment, shall bear the same ratio to India's total allotment as the standard export by sea bears to the total Indian standard export. The Licensing Committee shall not in any one year issue licenses for the export of tea in excess of this quantity.

**NOTE.—**The standard export is the maximum quantity exported in any one of the three years, 1929, 1930, 1931.

6. In accordance with the agreement reached by the majority of tea growers in India on the referendum issued by the Indian Tea Association and the South Indian Associations, the yearly quota for each estate shall be based on the accepted maximum production of that estate in any one of the four years, 1929, 1930, 1931 and 1932, allowance being made for young tea. This maximum is termed the 'crop basis'. The yearly quota shall bear the same ratio to the crop basis of the estate as the total overseas export allotment bears to the total Indian crop basis. Export rights created by the allocation of a quota shall be transferable.

7. Estates which have made no return of their crop basis in answer to the referendum shall be allotted a quota calculated in the manner described in the preceding rule on production of authenticated evidence of their maximum production in any one of the years, 1929, 1930, 1931 and 1932.

8. On application by a tea producer or by an exporter to whom export rights have been transferred by a producer, the Licensing Committee or the Officer empowered by it in that behalf shall issue an export license covering the quantity proposed to be exported, provided that the unexhausted quota standing in the name of the producer desiring to export or by whom the export rights have been transferred is sufficient to cover such quantity.

9. On production of a valid license in duplicate to the Customs Collector at the place of export, the Customs Collector may permit shipment of the quantity of tea covered by the license.

10. Each license shall bear the date of issue and shall be valid up to the 31st day of March next succeeding that date, provided that licensee against which shipments have not been effected prior to 31st March in any year may be exchanged not later than 14 days from the date of expiry for a special license which will be valid up to the 30th day of June next succeeding. Special licenses shall be accounted for against the export allotment of the year in which the original license was issued.

11. The records of the Licensing Committee shall be open at any time to inspection by any Officer appointed in that behalf by the Governor-General in Council.

12. The powers hereby conferred on the Licensing Committee shall be exercised subject to the orders of the Governor-General in Council who may revise any decision of the Committee.

13. Notwithstanding anything contained in the foregoing instructions the Licensing Committee shall not, for the year ending 31st March 1934, issue licenses for a quantity in

excess of the overseas export allotment for that year less such quantity as has been exported after 31st March 1938 and before 26th May 1938 and the export quota of any estate for the year ending 31st March 1934 shall be inclusive of any quantity exported after 31st March 1938 and before 26th May 1938.

Ordered that the above Resolution be published in the *Gazette of India*.

G. S. HARDY,  
Joint Secy. to the Govt. of India.

By Order,  
S. ABDUL WAJID,  
Secretary to Government,  
Development Department,

### GENERAL SECRETARIAT

No. E. 398—U.M. 227-80-20, dated 20th July 1933.

The designation of the head of the Maharani's College, Mysore, is changed from "Superintendent" to "Principal," with effect from 1st July 1933.

No. L. 618—M. 66-33-2, dated 18th—21st July, 1933.

Whereas by a proclamation, dated 17th March 1933, published in Kannada at page 266 of Part III—1 of the *Mysore Gazette*, dated 23rd March 1933, and in English at page 260 of Part III—1 of the *Gazette*, dated 23rd March 1933, it was duly announced under section 8 of the Mysore Municipal Regulation, 1906, that it was proposed to alter the boundaries of the Sargur Minor Municipality in the Heggaddevanakote Taluk, Mysore District, so as to include within it Thogatageri of Bidagalu Village in the vicinity, and whereas the objections preferred thereto by certain residents of the locality in the matter have been held to be untenable, the Government of His Highness the Maharaja are pleased, in the exercise of the power conferred on them by section 4 (1) of the said Regulation, to alter the limits of the said Municipality and to declare that the boundary of the said Municipality shall, on and from 1st August 1933, be as hereunder:

The new boundary starts from the present boundary stone near the Parivarakeri, and runs towards the north-west along the Hunsur-Begur road to a length of 220 yards. Then turns to the south-west and runs through Survey No. 8 and meets the voni leading to Inam Bidagalu Village. Then turns to the south and runs along the eastern boundaries of Survey Nos. 88, 84 and 87 up to the bank of Kapila River. Then again it turns to the south-east and joins the present Sargur Municipal boundary at Survey No. 212.

By Order,  
S. N. APPARNA IYENGAR,  
Secretary to Government,  
General Department.
